Commit your work to the Lord & it will succeed - Proverbs 16:3

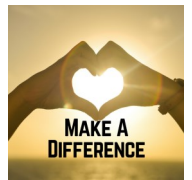

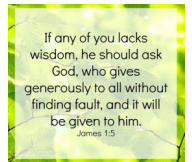

Hi Friends & Neighbors,

The other day I sat in St. Thomas  
More Church. I was there for the funeral of  
a dear customer and friend. I'd worked for  
her since 1992. Not only did she, like so  
many of you, help support my family and  
the families of my coworkers, but time spent with

her also enriched my spirit and soul.  
The collective wisdom and joy that I  
have received over the years serving  
and talking with you, my friends and  
customers, is incalculable. Between you and me, I  
have needed every bit of it.

Today we live in an increasingly  
hostile and fractured country and  
world. The Bible says that, "if any of  
you lacks wisdom, ask God" (James  
1:5). I did ask, and God provided it. Often through  
you. The Bible also says, "it's to a person's glory to  
overlook an offense" (Proverbs 19:11). We live in  
the age of offense. Some of the most easily  
offended folks espouse tolerance. Others too easily  
offended, like me, espouse Jesus and His way of life.  
For gosh sake, He said "forgive, turn the other  
cheek, love your enemies" and, wait for it... "pray  
for them" (Luke 6: 27-31). Those are hard things to  
do, very hard. Doing this may not change the  
direction our country is headed, but it will change  
us. To have peace in a storm is rare. It also gets  
noticed. Ranting with those we agree  
with is easy, and let's admit it, kind of  
fun. But living beyond that creates  
something SO good. It creates a  
difference. Dear God in Heaven, help  
us be and make a difference.

God's richest blessing and  
thanks for everything!

Mike

# Summer Tips From Our Team!

**Patti** - Water your lawn everyday when temperatures exceed 80°

**Levi** - Keep an eye out for insect activity on your lawn, trees, and shrubs. Call us as soon as you notice anything!

**Heather** - Don't let summer toys or debris sit on your lawn for too long. Yellow spots can develop quickly.

**Jeremy** - Mow your lawn at 2.5-3 inches. This will help shade the root system and prevent your lawn from drying out too quickly.

**Ron** - Keep your mower blades sharp!

**Keith** - Keep your air on and the doors & windows closed to help keep insects from moving inside.

**Brian** - Deep water your trees and shrubs weekly.
