minutes to leave us a review!

Commit your work to the Lord & it will succeed - Proverbs 16:3

Hello friends,

It certainly looks like spring has arrived in full
swing! I'm knocking on wood as I say this—because
we've seen snow in April before—but I'm hopeful
for a beautiful season ahead.

Right now, my lawn is a lush, vibrant
green. The birds are singing, the squirrels are
playing in the trees, and yes, the weeds are
already making themselves at home in the shrub
beds. Like many of you, I've really missed the feeling
of spring. While this past winter wasn't particularly
snowy, it was cold and gray. The blue skies,
fluffy white clouds, and warm sunshine
we've had these past couple of days have
been such a welcome change.

As nature wakes up, we can expect the
dandelions and other weeds to start appearing—
and of course, the insect activity will pick up too. I'm
not especially excited to see the return of earwigs
and wasps, who always seem eager to find their way
into my home. Our pest control specialist likes to
remind me to keep doors closed and check
for gaps in screens—and he's absolutely
right. Still, this is the time of year I love to
open the windows and let in the fresh air after
months of being sealed up from the cold.

If you're looking for help managing weeds or
keeping insect populations under control in and
around your home, remember that Living Water
offers services to assist with both.

And if your lawn hasn't been mowed yet,
now's the time! Many of you may already be
a few cuts in. It's also an ideal season to prune
your trees and shrubs. If you're thinking about
outsourcing that work, feel free to reach out—we'd
be happy to provide some trusted referrals.

Here's to a fresh,
bright season ahead!

Message from Mike

Hi everyone,

For over 40 years, this time of year has meant, "Go, Mike, Go!" This spring marks spring number two of being mostly retired. I often marvel at God's timing

and His ways. I've had health stuff going on for 14 months. Sometimes I think, "what would this look like if I hadn't been led to let our younger team members lead us at Living Water?" God has made a way... AGAIN!

No matter what you may be facing, there is one who is trustworthy and cares deeply for you and yours. Trust is hard for most of us. When that trust is placed in The Unseen God, well, it takes some faith. Thankfully Jesus said, "it takes only a little faith to move a mountain." Don't be hard on yourself because you don't "feel it." Acting on it and asking God for help is far more important than feels.

I am so grateful for you! My prayer for you is, "trust in God, and don't fret. Put your cares on Him because He cares for you!"

Until next time!
Your friend,
Mike

WHAT OUR CUSTOMERS HAVE TO SAY!

"I was very pleased with the tech who took care of my yard, of plantings, lawn and fruit trees. Christopher Joiner was in my yard for an extended period of time and as I watch him, I could see that he is very concentrated on the job he was doing so everything was being tended to."
- Donna, Spokane Valley

"Just wanted to quickly say that I wanted to give Kady kudos for grabbing a rake and helping me quickly clear the lawn before spraying the grass. I appreciated her can-do attitude and flexibility."
- Sara & Thomas, Shadle
