WHAT OUR CUSTOMERS HAVE TO SAY!

"Brian was just out here doing the roundup on my driveway and I just wanted to pass on what a great job he did, very thorough, very easy to work with, terrific job. Just wanted to pass that on!"

- Warren, Nine Mile Area

"Reed and the crew did an amazing job. They always go above and beyond!"

- Carla, Mead

"I'm thankful for your great service and for Jesse."

- Lucy, Coeur d'Alene

"Great service, the personal hand written notes after each treatment letting me know how I'm doing are very helpful. Enjoy reading the bulletin also!"

- Dave, South Hill

\$25 Referral Program

Did you know that you can get \$25 added to your account? Well, if you didn't let us tell you how. Tell your friends and family that you use our service. When they sign up for one of our programs and tell us you sent them you get \$25 added to your account. The more friends and family that use our services the more you get. Easy money!

Hi Friends and Neighbors,

This weekend I was riding my motorcycle home from a family wedding at Curlew Lake. As I passed through the mountains and valleys north of Spokane, I was blown away by how green everything is. While I know it will get browner as the summer sets in, seeing all that green just made me happy.

Washington is known as the Evergreen State. Before marijuana was legal, my industry was known as the green industry. I still think of our work in that way. Making landscapes around your home and business beautiful, healthy, and GREEN is what we are about, and has been for over 28 years. Even though Lisa and I now have between 40 and 50 employees, most days one or both of us is out there doing that work. We love being close to our customers and co-workers.

We know that we are called to lead a business that shows genuine care for our customers and the people who work for us. Soon I will turn 61. I often ask God to give me many more years of doing what I get to do. I have come to realize that with that kind of request comes an implied responsibility. I believe God wants us to truly care about and for others. Work is a place where that can and should be happening.

Everyday I work with a bunch of great young people. Some of them have had incredibly difficult lives growing up. You know what? The care of our leaders at Living Water is making a difference in those young lives. I want to use this newsletter, which I have written for so many years, to acknowledge Carolyn Dunlap, Brian Dunlap, Ron Davis, and Lisa Fairburn for living out our values and caring for our co-workers every day. Their love and leadership is rubbing off on a whole new group that I believe will serve you and our community long after I am gone. Thanks for letting us do this, all the while making your outdoor environment beautiful and GREEN.

God bless you and thanks again,
Mike

SUMMER LAWN CARE TIPS

This month is already hotter and drier than usual.

This time of the year, with these conditions, you should be ...

**Watering 5-7 times a week
(7 times if your soil is sandy or rocky)**

Mowing at 2.5" - 3"

These two practices make lawns really happy and use water wisely, as mowing high lessens the amount of water lost to evaporation.

We are looking for:

- Spray Technicians
- Mowers
- Pruners
- Sprinkler Technicians

We believe in treating customers and co-workers with Professionalism, Respect, Kindness and Gratitude. Living Water is a great place to work! If you are interested in joining our team you can apply:

- on our website: www.livingwaterlawncare.com
- at our office: 8227 N. Regal St. Spokane, WA 99217
- or email your resume to: contactus@livingwaterspray.com
