Happy Spring,

We are glad to be back doing what we love,
taking care of you! Along with your invoice and
newsletter, we have included a Spring Landscape
Checklist. Hopefully this is helpful. It's
so great to see folks outside working in
their yards!

If you need help with your
landscape beyond what we do, let us
know. While most of you already know, we just
wanted to remind you that we no longer operate our
landscape maintenance services (mowing, sprinklers,
pruning), but you still have all those options. Our
former partner in that business, Ron Davis,
is providing all those services. Ron Davis Lawncare &
Landscaping mows, prunes, turns on/blows out/
installs/repairs sprinkler systems, does landscape
clean ups and landscaping. Ron is a great guy and

most of his team came from
(trained at) Living Water. Ron, our
leadership team, Lisa and I want to
make sure you and your landscape
are taken care of. Change like this
is hard, but as the last two years have shown all of
us, it's something we must be open to.

On that note, how are you navigating more
change? 2020 was hard, but for many of us 2021
was even more difficult. 2022 feels like more uncer-
tainty. Lately I have been praying part of a prayer
known as the Serenity Prayer. The
entire prayer is amazing, but you might
be familiar with the most quoted part.

“God grant me the serenity to accept
the things I cannot change, the courage to change
the things I can, and the wisdom to know the
difference.” So much right now is out of our control.
In the last couple of years, a lot of what we felt
was in our control was taken away.
Whether all of that was fair or right is a
conversation for a different place and
time. The point is that most of us feel it.

Commit your work to the Lord & it will succeed - Proverbs 16:3

I hate to tell you how much time and energy I gave to things completely out of my control. When I began asking God to help using this prayer as a guideline, things began to change. My priorities shifted. What I could work on, I did. What I couldn't didn't weigh me down as much. I remembered, "Mike, you are not alone; ask God for help." I don't have to tell you that it's tough out there, but God can and will help when asked. Asking for His will above mine also helps. Jesus once said, "in this world you will have trouble, but cheer up, I have overcome this world."

Big problems, little people, BIG GOD (who loves us), little and big miracles! Lisa and I hope and pray God's best for you, for all of us. Times are uncertain, but you are not alone!

Blessings,
Mike

- ✿ **We are hiring!**
- ✿ **Take good care of yourselves.**

WE want to welcome our newest Living Water family member, Hazley Lyn, born on 1/23/22. Born to Kaileen, Office Supervisor & Dustin, Pest Control Tech and to grandparents, Carolyn & Brian General Manager and Production Manager. You may hear one or two little ones in the office when you call in! We love our babies and pets at Living Water.

WHAT OUR CUSTOMERS HAVE TO SAY!

Shout
out

"I set up lawn care from afar for my 97 year old mother. From the very beginning everyone has been so kind and patient with her and provided excellent services throughout the seasons. Such a difference from other companies. It's a relief to know that she and her half acre are so well taken care of. Thank you, Living Water! - Patty W.

"Jeremy is such a nice guy. I just met him and he was just a stellar guy. He wasn't pushy on sales and was very nice to visit with!" - Jon, Fairwood
